

## Course Description

This programme can become your handbook or 'best friend' until the big day and be used as a checklist to be sure you have thought of each and every minor detail!

This is a practical programme where you are learning to become a qualified Wedding Planner. This course is also suitable if you are planning your own wedding.

It is important to understand the background in which a Wedding Planner operates and what are the national trends for marriage ceremonies in the UK. The Office for National Statistics provides up-to-date information on wedding trends.

## Assessment

Theoretical information is provided throughout the course, followed by a series of exercises that are to be completed and marked by your personal tutor.
